Diputación de Ciudad Real, España, 2015. Encuadernación de tapa blanda. Book Condition: Nuevo. 23X16cm. 39 pp. Este libro no pretende ser un resumen de la Constitución española -¿quién podría resumirla?- aunque ofrece breves fragmentos, ni dar lecciones sobre la misma, ni tan siquiera comentar todos los aspectos que engloba. Este libro es una introducción, para los más jóvenes, al difícil mundo de la comprensión de la Democracia como forma de vida y de organización social, y de la Constitución como gran manual que contiene las reglas del juego democrático que todos los españoles acordamos, asumimos y nos propusimos cumplir y defender en 1978. Este libro no está construido para que los niños caminen solos por él, aunque seguramente podrían hacerlo sin dificultad; se planteó, desde su origen, para que den un paseo acompañados de padres, abuelos, hermanos, profesores; para que éstos les transmitan sus sensaciones del pasado y del presente, y los niños pongan su imaginación y preparen el futuro.
