Date :2008-7-1. This book has the following characteristics: First. the book on the subject of the essay is an excellent record of teaching. though it is the theoretical writings However. to improve the theoretical level and practical ability of teachers have a unique role. A good teacher's cognitive structure. an element of its important. that the wealth of teaching cases. This book provides a lively and dignified rich. successful teaching writing classes. is one vivid case in which not only reflects the composition of teaching law. but also reflects the teachers teaching art. Reflect the laws are precisely the theory and practice of teaching writing with the join points; reflect the place of teaching art. but also for writing how to teach that can be provided as reference methods. Book. both in theory and practice closer to teachers. to meet their needs. so that they truly benefit from this book is very limited. Second. the book's content targeted for teachers. instructional design. choice of teaching methods provides a template. For language teachers. teaching writing is the key. but also difficult. Beam-standing teaching of writing a few teachers. This book for middle school students on the composition of the widespread fear of hardship. especially Gv found nothing to write. the plight provides a jumping voice. edge of love cable management. real interesting. the taking of homes. . to observe things. emotional. writing and other cases; conception for high school students writing identical. shallow understanding of the common problem. provides the accumulation of ideas. viewpoints temper. dialectical thinking. multi-layered discourse. good at capturing. deepen enhance the other cases. In these cases. students interested...
