Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Survival Preparedness: A Beginners Guide to Survival Prepping What would happen to you and your family if suddenly one day you woke up and realized there was no electricity or information grid, and that there was no end to the situation in sight? Would you be able to survive? If you have concerns as to how you and your family would be able to survive in situations such as natural disasters, terrorist attacks, or even economic collapse, then WAIT NO LONGER! Survival Preparedness is an ABSOLUTE MUST READ if you wish to learn how to handle and survive in these emergency situations. Don't think that these things can't happen to you, because every day on the news we hear about everything from wildfires and hurricanes to rampant diseases, terrorist attacks, and wars. Nothing is worse or causes more panic than finding yourself in one of these emergency situations without the proper supplies, survival skills, and without a plan. There are several reasons why thinking about preparing in advance for situations such as a short term emergency or long term crisis can be intimidating and cause for concern. After all, chances are that no one else you know is doing it and you probably don't even know where to begin. It can become an overwhelming task when you consider the large number of supplies you may need and the cost involved in organizing this amount of supplies and equipment. You may also wonder where you are going to store all of these supplies and equipment in a small to average size home. Having a simple plan in place to prepare for disaster before it actually happens...
