DRI Press. Paperback. Book Condition: New. Paperback. 542 pages. Dimensions: 8.9in. x 6.0in. x 1.3in. In October 2009, more than 50 of the worlds leading negotiation scholars gathered in Istanbul, Turkey for the second in a series of three international conferences designed to critically examine what is taught in contemporary negotiation courses and how we teach them, with special emphasis on how best to translate teaching methodology to succeed with diverse, global audiences. In organizing the Istanbul conference, we took particular note of a consistent strain of criticism of the artificiality of a classroom environment, which became a running theme of many of our authors in the projects first year, captured in the previously published RETHINKING NEGOTIATION TEACHING: INNOVATIONS FOR CONTEXT AND CULTURE (DRI Press 2009). It would be hard to imagine a better environment for trying something new and different outside the classroom environment than Istanbul, and we tried to do honor to one of the worlds greatest trading cities in our design for the conference. In brief, we dispatched small teams of scholars into the citys famous bazaars, for one exercise in studying how negotiation might be taught more actively, and dispatched teams into the citys less touristy neighborhoods on another occasion, with instructions that required each team to negotiate internally. The resulting rich collection of scholarship is gathered in our current title - VENTURING BEYOND THE CLASSROOM. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
