Createspace, United States, 2011. Paperback. Book Condition: New. Updated. 216 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.In this EASY to read, EASY to follow guide, we show you how to defend your home from foreclosure written in plain English without the legalese. Discover the shocking truth behind foreclosure fraud that banks don t want you to know. Over 85 of subprime loans in the US have been securitized in the last 10 years. This means, chances are, your loan is too. And if your loan has been securitized, then your bank does not own your loan and, therefore, does not have the authority to foreclose on your home - - yet they do this every single day because they rely on your ignorance. Banks are literally stealing thousands of homes every day and kicking families to the curb through deceit and fraud. This books lays out the fraud that is being committed by the banking industry to steal billions of dollars from the American public in easy to understand plain English. This book provides shows you how the fraud is being perpetrated and provides you step by step instructions to help you put up a viable defense against foreclosure fraud. Put up a fight and stay in your home. This book shows you how! Here is what others have said about this book: Wow! This is amazing- and outrageous! It was very easy to read and understand. Thank you Vince for bringing this truth out. And for your humanitarian and courageous stand to keep people from losing their homes to corrupt predator lenders! Cindy W(online comment) Thank you for the serious amount of work put into this book. I seriously believe that this type of information provided free to the people is one of the...
