Createspace, United States, 2012. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a book of poems about a journey that starts at the end and zigzags. These are observations through the eyes of one but experienced by many. These poems are the stones on a path that is made the more joyful, sad, angry, and bemused because it is walked in small and muddy shoes. So, I hope you will join me and enjoy the view. Funny Directions When I was a little girl I used to try to sew but it never worked It was never straight or it unraveled or zigzagged in funny directions sometimes the buttons fell I would hunt for them Needle and thread never cooperated to express the pictures in my head Now I sew with words and hope they are cleaner than my sagging hems and tattered edges that tried to teach me that a straight line isn't what it's cracked up to be.
