Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Hi, my name is Malik Frank and I was born to be a Digital Media Artist. As a kid, when I was 5 years old, my kindergarten teacher told my parents that I would never be able to function as a normal child and that I will be incapable to do anything. My mom cried a river because she thought the world was over for me. However, my dad was determined to make sure that I ll be successful no matter what. So, as my dad learned different ways on how to teach me, he noticed that I can learn things through pictures. My dad noticed that I loved cameras because I would always talk about them. I took great pictures and showed a passion for it. My dad helped me to make sure that I would be successful as a Digital Media Artist. He helped me with my craft of using a professional camera by learning how to better enhance my eye, looking at artwork, and helping me with my classes using cue cards. As a result of the skills I ve developed, he assisted with making those connections over the years of being at High School of Graphic Communication Arts, that would help me achieve. Today, I am a successful Teen Digital Media Artist who is determined to begin the greatest journey of my life! Throughout this book, I will display photos over the years of being a high school student, creating my imagination on camera and turning my photos into a masterpiece.
