About Nature's God America was founded on freedom, supposedly. So how come government intrudes into every aspect of our lives now? How come tyranny is back? Socialism, the modern term for tyranny, was not yet in use in 1776. But the Founders would have had no difficulty recognizing that the socialist redistribution at the core of American policy today is incompatible with the unalienable right to the pursuit of happiness that they thought they put in our Declaration of Independence and protected in perpetuity with our Constitution. What happened? Nature's God describes how Western governments all became functionally socialist, and how the United States, ironically the most deliberately free country ever, is leading the march to this new tyranny. The origins of redistributive socialism are discovered to be ancient and rooted in the primitive instincts of war. But their modern manifestation began with Abraham Lincoln's Emancipation Proclamation and Civil War, which created the paradigm of socialist intervention that threatens us today. Surprisingly, it was the great emancipator that set us on this...
