Do you have a talent or gift you want to use for God? Do you feel like you could give God more? Are you stuck in religion and want to know how to truly express yourself in your relationship with God? As people, we find that there are certain things that we are good at and certain things that we like to do. However, in many cases, we fail to take that God-given talent and passion and use it for the one who gave it to us. In *And David Danced with All His Might*, author Derrick David Bryant lays out a plan to take your gift and use it effectively for God's kingdom. Through using the vehicle of dance, he takes you through the Scriptures, highlighting how the talented King David worshipped the Lord with what God had put inside of him. This is a great book for individuals who have a passion to dance for God, but it goes beyond that to the individuals who have a passion just to please God.
